Report of Humanitarian Support

**Prepared by
Reema Shrestha, President
30 April 2021**

Background

The COVID-19 pandemic has stopped every single human activity all over the world including Nepal. Now millions of people are affected and are confined to their homes to prevent from the possible outbreak of it. All academic institutions (schools and universities) are closed in Nepal with the government decision of lockdown across the country.

Losses people are bearing from first COVID wave has not yet been solved. People are still struggling to manage food for the family and to start up the business once again. Nepali people were learning to rise again.

We had received fund support from Nepal Tara for Humanitarian support to people in need. In coordination with our members we have conducted several humanitarian support activities in the month of January to April. Some of the Humanitarian support activities conducted are:

1. Food Packages to Needy people.
2. School bag with stationery support.
